## *Class History*

As we climbed Lee Junior's steps for the first time three years ago, we felt so proud and grown-up and yet so young compared to those surrounding us. However we soon became accustomed to our new schedule and assemblies and took our place in school activities. The seventh grade student body was very pleased when C. P. Brumfield of our class was selected treasurer of the Student Council for the coming year.

The next year finally came and we really felt a part of things, eating during second lunch period and being able to join the Hi-Y and Y-teens. When February rolled around, each eighth grade Y-teen trapped a poor innocent boy and dragged him to the annual dance with the ninth graders. After this the term seemed to whiz by and spring rushed to greet us. We were delighted when Kitty Lou Tinnell, an eighth grader, was elected to the May Queen's Court and our girls helped the track team to win for the sixth time.

It seems that everything happens in the ninth grade. In the fall our boy took the 130 lb. football championship for the city and, later on, the junior high basketball trophy. The taking of basketball honors was celebrated by a dance in the annex at which time Joan Pharr was crowned queen by the two high scorers of the season, Bill Dowdy and Wayne Brizendine. There were other dances, too; the wonderful Christmas Hop and the Y-teen's Sweetheart Dance with Betty Sue Wyatt as Queen. Speaking of recreation, our entertainment included a number of wonderful assemblies, two excellent plays by the Dramatic Club, and Christmas Music and a delightful Spring Concert from the choir. But we mustn't forget Lee Junior's new newspaper published by the student-council. A contest was held to name the paper and Joe McGee won with his suggestion, "The Rebel."

When ninth grade class officers were elected, it was realized that some excellent choices had been made. They were: President - Elliot Shaver; Vice-president - Joan Pharr; Secretary - Kitty Lou Tinnell; Treasurer - Larry Johnson.

All in all, the three years we've spent at Lee have been a wonderful unforgettable part of our lives. We only hope the class of '54 won't be forgotten in the whirl of years to come.
